Subject: Letter of recommendation for 2 x 300m³/Day Containerised BWRO plants

Dear Sir,

To: Whom it may concern:

Reference is made to the recent projects carried out by Zual Water Technology (ZWT) in Sirte Oil Companies Zelton Field.

Sirte Oil Company awarded ZWT the project for: Design Engineering, Procurement Fabrication Shipping, Installation, Start-Up & Commissioning of two 300m³/Day Containerized Reverse Osmosis Water Treatment plants including all Pre and Post Treatments Systems

Supply of two (2) years spare parts for normal operation for each plant including spare high-pressure pump.

Two weeks on site training for SOC Operation and Maintenance personnel

Supply of one (1) MCC with a 450A Main Isolator, Feeders will consist of three (3) Units of 100Amps and six (6) Units of 50 Amps. 480 3Poles circuit breakers in withdrawable type modules.

ZWT has fulfilled all their obligations and successfully completed the whole scope of works and commissioned and handed over the plants on the 15th June, 2021 as per the agreed time schedule and Sirte Oil Company requirements.

ZWT has displayed good quality workmanship and performance; technical knowledge of water purification requirements & standards and commitment towards achieving the projects goals.

ZWT are also providing a 1-year service visit from their in-country field engineers.

Yours Sincerely,

MAHMOUD K. ALAWAMI
OFM SUPERINTENDENT
